Professional summary

Self-motivated and ambitious Tech Enthusiast with more than three years of experience driving digital literacy and proficiency. Expertise in a broad range of tech and digital skills, acquired through self-directed learning and a passion for continuous improvement. Proven ability to handle multiple tasks, work well under pressure, and deliver results.

Experience

- **ICT Trainer** February 2018 - February 2021
Better Future for Generation, Rwanda, Kigali
During my 2+ years, I was in charge of:

- Designed and developed training programs to increase sustainable development for people, especially youth, women, and people with disabilities.
- Prepared the learning environment and resources, including setting up IT equipment.
- Conducted technical training in computer maintenance and user skills like desktop applications such as Microsoft Office and Internet browsers.
- Evaluated and prepared reports on the effectiveness of training programs and learning outcomes.

- **Freelance** January 2022 - Now
Self-Employed, Rwanda, Kigali
As a freelance IT Support Technician, I provide technical support to clients and ensure the smooth running of their systems.

Internships

- **Event Security** August 2023 - September 2023
Global Events Africa, Rwanda, Kigali
